Software Developer

I'm a software developer who loves building with the MERN stack, especially front-end applications using React.js and Tailwind CSS. I have created scalable apps, optimized RESTful APIs, and focused on delivering smooth user experiences. I'm always eager to learn, improve, and stay ahead of the curve.

Education

NSHM College of Management and Technology   **2021 – 2023**
M.Sc Computer Science: 9.39 CGPA   *Durgapur, West Bengal*
